

### DETAILED ACTION

1. Amendment and response with a declaration under 37 CFR 1.132 were filed by applicants dated April 8, 2009.

2. *Examiner's Amendment*

Authorization for this examiner's amendment was given in a telephone interview with Mark A. Farley on Jun. 18, 2009.

Claim 37, last line after the term bilastine, delete the term "according to claim 25" in its place insert **--in a solid pharmaceutical composition according to claim 35--**.

3. *Reason for Allowance*

The following is an examiner's statement of reasons for allowance:

Applicants have provided a declaration under 37 CFR 1.132 verifying that the bilastine form I was able to stand solid composition processing and be maintained stable in such composition. The form 1 and its solid composition commensurate to the declaration as now amended claims 25, 33-37 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
